

Can I be more involved?

Yes, we have a management committee, as would be expected. The committee members have usually a term of three years maximum, the exception being six years for the treasurer, so there is a regular turnover of committee members, and we need replacement volunteers most years. Without the committee we cannot continue to operate so we are very dependant on all members to consider taking up a committee position. There are no paid positions within our u3a, The overseeing body, The Third Age Trust does employ some helpers, part of our subscription covers these costs.
